**The EWG Scarlet Knights Alumni Association was formed in November 2017 as a 501(c)3 non-profit under the umbrella of EWG Kids, Inc, originally formed in 1990 as a fundraising effort to continue activities and sports after EWG initially opened.**

**Our efforts have established a \$500 annual scholarship to a graduating EWG senior in 2018 and 2019. Goals include increasing the scholarship program in the coming years and planning alumni fundraising events.**

**Included in this inaugural issue are a few events that have occurred since our formation late in 2017.**

## MIDKNIGHT MADNESS REJUVENATED MARCH 2019

Faculty members Marc Hamlin, Marcy Ward, Robin Borges, Amy Biagioni-Chmura, and a handful of others prompted the reboot of MidKnight Madness, a once long-lived tradition that had been packed up roughly a decade ago.

Students returned to EWG on a Friday evening to assemble in the Auditorium for a production of "Freaky Friday" before an evening of activities leading to a faculty/student basketball game that ended at the stroke of midnight. Roughly 75 students and 20 faculty members engaged in the event, a great success to restart the tradition beloved to so many alumni. Alumni Lee-Ann Galli, Nina Jackson, Jeremy Taylor and Sue Grundy were in attendance helping with some activities. The Alumni Association also projected the trailer of *EWG Square One* and digital archived documents of EWG in the atrium, running throughout the evening.

**September 2020 marks 30 years since EWG Regional Jr/Sr High School opened its doors! We are planning a celebration to mark this monumental occasion and are looking for some help! A faculty member mentioned there haven't been any celebrations of the school, which prompted this idea for the alumni association to start planning one.**
